

First Name,

Thank you for submitting your information to receive your Gano Excel Gift from Empower Marketing and your friend or business partner.

You should receive your gift product selection in a few days. If you do not receive the gift in a few days email me personally.

In the meantime I highly recommend you visit the company website and see why your friend thought so much of you to give you this gift.

Along with your gift comes the opportunity to tell others and share these great products with individuals that you may care about.

In fact for a limited time during the holiday season, ask your friend how YOU may be able to give a gift of health, wealth or happiness to someone you love or care about.

In the meantime you have a wholesale position with our company and all the rights that go with it. You may not want to do anything with it, you may want to get your products at wholesale, you may want to tell others and make enough in referrals to pay for your coffee or you may want to make a business out of your position.

Here is the important information you need. Call your friend to get your distributor ID **XXXXXX** and password **PPPPP** below.

Visit <http://myganocafe.com>

Enter your Distributor ID **XXXXXX**

Enter your Password **PPPPP**

Click “Member Info” at the top right of your page.

Verify all your personal information by clicking “Edit Personal Info” on the left side of the page.

Now you can study your website and set up your personal website. All this information and how to set up your website is on the team support website at <http://uhave1.com/training>.

Once again, welcome to the team and we know you will enjoy your gift.

Have a great day,
Roger Johnsrud
