Leadership Chart to Success

Name	Phone	Date	1	2	3	4	5	6	7	8	9	10	11	12

Place only individuals on this chart that want to commit to business. Each individual agrees to commit to filling their chart with committed Leaders. Each Leader agrees to purchase an ESP3 and 50CV to 100CV Autoship for one year. Each Leader agrees to sponsor a minimum of ONE Leader a MONTH for 12 Leaders. **Super Stars will commit to four Leaders in the first 30 days.**

Each Leader must commit with their TWO upline sponsors via 3 way call before being assigned on the chart. Leaders will get their first four in 30 days and teach them to get four within 30 days.

Sponsor 4 and build 4 each that do the same. Put two on each side. **Duplicate the process.**
